**CHAMPION AVIATION PRODUCTS INTRODUCES A NEW IMPROVED
RELIABILITY EXCITER
FOR
WILLIAMS INTERNATIONAL FJ44-1A**

The Aircraft: Cessna Citation Jet
The Engine: Williams International FJ44-1A
The Exciter: Champion P/N CH92007
Williams International P/N 56635

Champion P/N CH92007 (Williams International P/N 56635) exciter for the FJ44-1A engine employs a newly designed wiring configuration which will increase reliability of the ignition system.

We are proud to provide the complete Champion ignition system for the Williams International FJ44-1A engine.

Please contact your Champion Aviation Products distributor for pricing and availability.
