

New Champion Aerospace searchable parts database

LIBERTY, SC- (June 23, 2016) - Champion Aerospace, LLC has announced the creation of an online searchable parts database that will make it easier for both customers and distributors to find the right part for the right application. “I’m very excited about what this new database brings to our customers’ experience. This exceptional tool will make it even easier for our customers to connect with us and our world-class solutions,” said Chris Alfonso, Director of Sales and Marketing.

To access the parts database please visit us at www.championaerospace.com/champion-parts-search
