CHAMPION SPIN-ON FILTERS FOR DUKE AND BARON OPERATORS

CONTROLLED
COPY

CH48103

CH48104

The shorter CH48103 Spin-On Filter has been approved by Avco Lycoming in the Beechcraft Dukes and Avco Lycoming powered Barons.

This shorter filter has been approved because in some of the above mentioned aircraft, the longer CH48104 filter interferes with the engine mount shroud.

If it is necessary to use the shorter filter, be certain the oil and filter are changed at 50-hour intervals.
